Photo Permission

Dear Parents,

As part of our curriculum we like to take lots of photos of the children to keep a record of all the amazing things they do and have the opportunity to share these achievements with everyone! For us to do this we are asking for your permission to use your child in our photography, we can assure you that anonymity will be used to protect the children, where possible, but sometimes we will need to use a child's first name to congratulate for an achievement etc.

Many of the pictures we use on our Facebook and website pages are of group activities, such as class pictures, group work in class, playground activities, sporting and other events, where groups of children are participating in school activities. However, some may be of individual children, if we want to celebrate particular achievements. Here is the link: <https://www.facebook.com/Rosary-Catholic-Primary-School-Stroud-1914205738805378/>

We ask that you kindly complete the areas below and return to school as soon as possible.

If you have any questions please do not hesitate to get in touch.

Many thanks,

Miss S Perkin
Computing Co-ordinator
