Dear Parents,

As your child enters The Rosary School, we thought that we would just like to introduce ourselves to you and tell you a little about how we might be able to help you and your child during their time at school.

BarBar Nursery Ltd is owned by Carol **Bar**ker and Sandra **Bar**ton- hence the name- we are both experienced and qualified child care professionals with over 50 years experience! We employ a dedicated child care team at our nursery at the Rosary School. Emma Cockell- the manager has worked with us since we opened nearly thirteen years ago and she is supported by three other staff members Megan Jones, Jessica Buckland and Ellie Turl.

At **BarBar** we provide a nursery/preschool for children from two years of age at the Rosary School site and a before and after school club (ASC) for children from the Rosary School. A full day care **BarBar** nursery that also accepts babies, exists at our Stratford Park site and from here we also run a holiday club for primary school aged children during the school holiday periods.

For the ASC we collect the children from their class teachers and escort them to our premises where they can enjoy a range of activities such as craft, cooking, games, sports, visits, role play, dressing up, play dough, painting and many more. The children are also given a snack tea with food ranging from sandwiches to toast, crumpets, wraps, soup and fruit is also available everyday. Visits welcomed.

Finally, as the reception children are 'phased in' to school life at the start of term, parents are often stuck with finding adequate and convenient child care for their children during these first three weeks. With the benefit of **BarBar** being on site, we will gladly collect your child from the reception class and care for them until you can collect them at the end of your working day. Please contact us for more details.

If you are interested in any of our services, please call or pop in to meet us and our team and we will help you as best we can. More information about **BarBar** can be found on our website www.barbarnursery.co.uk

We look forward to helping you.

Yours sincerely,

Sandra Barton and Carol Barker Company Directors
