To Parent(s) of New Pupils

Dear Parent(s)

Internet and Email Use

As part of your child's curriculum and development of ICT skills, the Rosary Catholic Primary School is providing supervised access to the Internet. We believe that the use of the Web and email is worthwhile and an essential tool for children as they grow up in the modern world. Please would you read the "Computers – Pupil Acceptable Use Agreement" and also "E-safety Agreement Form:Parents."

Although there are some concerns about pupils having access to undesirable materials, we are taking positive steps to deal with this risk in our school. Our school Internet Access Provider operates a filtering system that restricts access to inappropriate materials.

Whilst every endeavour is made to ensure that suitable restrictions are placed on the ability of children to access inappropriate materials the school cannot be held responsible for the nature or content of materials accessed through the Internet. The Rosary School will not be liable under any circumstances for any damages arising from your child's use of our Internet facilities.

Please find enclosed a copy of "Computers – Pupil Acceptable Use Agreement" and also "E-safety Agreement Form, Parents". Could you and your child please complete the forms in the pack and return them to the school office. When we have received these from you, your child will be able to use the school's Internet facilities.

Should you wish to discuss any aspect of Internet Use, please telephone me to arrange an appointment.

Yours sincerely

Miss S Perkin
ICT Co-ordinator
