- Addition and Subtraction: Facts of numbers 1-10
- Number and Place Value: Up to 100

PSHE/RSE

We will be using Ten Ten and SCARF Resources. These are our units for the Autumn term:

- Created and loved by God (Health and Wellbeing)

As geographers...

We are going to be answering the question:
What is it like here?

We will be developing our mapping skills by locating familiar features on aerial photographs and creating simple maps including our own school grounds.

As musicians...

We will be examining a range of fairy tales, identifying key moments in each story and clap along to repeated words and phrases, creating rhythmic patterns.

As computer scientists...

We will be learning about online safety and computer systems looking at what a computer is and how they work.

As scientists...

Throughout the school year we will be exploring how seasonal changes affect trees, weather patterns and daylight hours.

This term we will also be focusing on plants, discovering a variety of wild and garden plants by exploring their features and identifying common flowering plants, trees and plant parts.

As designers...

We are going to explore slider mechanisms and the movement they output to design, as well as evaluating a moving storybook the children will be designing and making!

As artists...

We will be focusing on our drawing skills this term. The children will understand and use different line types and mark-making techniques in drawing; enhancing their ability to describe lines and control drawing materials like pencils and chalk.

As athletes...

We will be introducing invasion games including skills and tactics in team sports. During Autumn 2 the children will be doing gymnastics with the theme being 'Jump into the past'.

As historians...

We are going to be answering the question:
How am I making history?

We will be investigating the past within living memory by exploring personal chronology and using photographs to ask and answer questions about the past.

PE: Wednesdays and Fridays

Reading book changed: Wednesdays

Book Club (Library): Thursdays

Forest school: 11th September, 2nd and 23rd October, 20th November and 11th December
