

The Rosary Catholic Primary School

2022-23

Rosary Catholic Primary School is a Catholic Academy in Stroud. An academy is a state-funded school, which receives its funding directly from central government, rather than through a Local Authority. They control their own admissions process. Academies are inspected by Ofsted. They have to follow the same rules on admissions, special educational needs and exclusions as other state schools and students sit the same exams. Academy trusts are not-for-profit companies. They employ the staff and have trustees who are responsible for the performance of the academies in the trust. Rosary Catholic Primary school is a single Catholic academy within the Diocese of Clifton. The trustees of Rosary Catholic School are known as Governors and comprise of Foundation Governors (appointed by the Diocese of Clifton), Parent Governors (elected by parents or carers of children in the school) and Staff Governors (elected by the school staff). In addition, there are also committee members attached to specific committees

The Full Governing Board meets at least 6 times per academic year and there are 3 sub-committees which meet during the academic year and report back to the Full Governing Board. The membership and attendance at these meetings is shown below.
