

Rosary Catholic Primary School, Stroud

Dear Parents/Carers,

During the second part of the summer term we will be trialing an online communication tool called SeeSaw. (<http://seesaw.me>). This will be a new way to communicate whole class reminders, celebrate successes and share whole class 'wow' moments, via a secure online journal; teachers will be able to upload photos, videos, and messages to the SeeSaw class area for you to view and comment on.

There is a private message area, but this should not be used for urgent messages as teachers may be unable to read messages during the school day and should not be expected to respond outside usual 'office hours'. For urgent or more serious matters, please continue to see the class teacher or ask the office staff to pass on messages.

For you to use Seesaw as part of a class group, the app needs your child's name. SeeSaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of pupils, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>. Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that you will enjoy using SeeSaw. Please don't expect daily posts!

Kind regards,

Mrs Savory

SeeSaw User Agreement
